FI OPERATIONS STATUS REPORT

10 Oct 68 - 31 Dec 67

31 Dec 68

STATION/BASE <u>Hamburg</u>	PROJECT <u>OOA</u>	REPORT NO. <u>88-02</u>
AGENT'S CRYPT <u>CAHELM</u>	TO <u>31 December 1968</u>	DATE OF <u>FOIA/0A</u>
PERIOD COVERED <u>1 October 1968</u>	COSTS <u>\$761</u>	<u>27 June 1966</u>
CASE OFFICER TIME <u>10 hours</u> (monthly)	(during period)	

BACKGROUND AND ACCESS OF AGENT: Subject's personal friend, a WOFIRM staffer, brokered an introduction to a Station case officer who developed Subject into an FJPLEAD asset. In addition, he has good contacts among various fringe groups on the local political scene and has succeeded in becoming accepted as a member of the local Extra-parliamentary Opposition (APO).

TYPE OF AGENT COMMUNICATIONS: Personal meetings in Hamburg. Subject has a Base operational phone number and we can reach him via phone, either at home or in his office. Most meetings, however, are prearranged.

TARGETING: (including OD citation)
Local political groups: Priority B.A. and Priority C.E.
FJPLEAD targeting (WSBIGG travelers, Chicom activities, etc.):
Priority A.C. and Priority A.D.

OPERATIONAL DEVELOPMENTS: (include security aspects and training)
Since the last report, Subject appears to have firmly established himself as a member of the Republikanischer Club Hamburg (RCH), the gathering place of local radical movements, students, and other members of the Extra-parliamentary Opposition (APO). In this role he is presently functioning as a spotter/assessor as well as a reporter of the local radical scene. This position has also brought him access to information in other operational areas; e.g., [] activity in Western Europe (see Production below), and Chicom connections to German radical youth groups. Although Subject continues somewhat active in the FJPLEAD area, his main thrust is now in the German political scene.

 DOC. MICRO. SER.

PRODUCTION: (include significant operational information)

Reported on a radical shift in leadership in the RCH. (RGG-1362)
Reported on preparations for a "Vietnam Congress" in Strasbourg in early January. (HAMBURG 8289)

EVALUATION AND RECOMMENDATIONS:

FIELD: Subject has shown himself to be an energetic asset, able to take direction and apply himself to new areas when necessary. His progress since the last FISR has been most satisfactory and we see no reason why it should not continue so.

FI OPERATIONS STATUS REPORT

STATION/BASE Hamburg U-6-49/3
AGENT'S CRYPT CAHELM PROJECT German OOA
PERIOD COVERED January 1969 TO 31 March 1969
CASE OFFICER TIME 10 hours (monthly) COSTS \$ 612.00 (during period)
REPORT NO. 69-01
DATE OF POA/DA 27 June 1968

BACKGROUND AND ACCESS OF AGENT: Subject's personal friend, a WOFIRM staffer, brokered an introduction to a Station case officer who developed Subject into an FJPLEAD asset, in which function he served for several years. He is also well-connected among various fringe groups and has become an accepted member of the New Left.

TYPE OF AGENT COMMUNICATIONS: Personal meetings in Hamburg. Subject has a Base operational phone number and we can reach him via phone, either at home or in his office. Most meetings, however, are prearranged.

TARGETING: (including OD citation) Priority C, Subparagraph 1. Political groups within the New Left.

Priority B, Subparagraph 1. FJPLEAD operations.

OPERATIONAL DEVELOPMENTS: (include security aspects and training)
Subject is presently attempting to project his New Left access onto the Federal level. Towards these ends he has become somewhat more active within the local Republican Club and occasionally participates in New Left gatherings in other parts of Germany. One development of security significance occurred during this period; however, we feel this has been resolved satisfactorily (See EGGA-4443).

ACTION TAKEN PER PREVIOUS HEADQUARTERS REVIEW:

Forwarded CAHELM Status Report (EGGA-4443, 26 March 1969).

PRODUCTION: (include significant operational information)

Subject furnished material for seven positive reports during this period, five dealing with the New Left and two relating to a visit to Germany by a delegation of the North Vietnamese Red Cross.

EVALUATION AND RECOMMENDATIONS: Subject is an energetic experienced asset, **FIELD:** able to take direction and apply himself to new areas when necessary. He is providing coverage on the local radical scene not available from any other source. We are optimistic that he will have some success in projecting this access beyond the local level.

PRODUCTION: (include significant operational information)

EGGA-4525, 18 June 69 - Reported initial contact with visiting FJSTEAL intellectual. Follow-up dispatch, including CAHELM assessment, being forwarded.

EVALUATION AND RECOMMENDATIONS:

FIELD: Subject continues to demonstrate his energy and resourcefulness in attacking a variety of targets in addition to his main thrust, the New Left. We are currently exploring ways of implementing the suggestions made in EGGS-733, 16 June 69, and will keep you informed of developments.
